National Constitution Preamble

To maintain true allegiance to the United States of America; to foster and perpetuate true Americanism; to combat whatever tends to impair the efficiency and permanency of our free institutions; to uphold the fair name of the Jew and fight his or her battles wherever unjustly assailed; to encourage the doctrine of universal liberty, equal rights, and full justice to all men and women; to combat the powers of bigotry and darkness wherever originating and whatever their target; to preserve the spirit of comradeship by mutual helpfulness to comrades and their families; to cooperate with and support existing educational institutions and establish new educational institutions; and to foster the education of ex servicemen and ex servicewomen, and our members in the ideals and principles of Americanism; to instill love of country and flag; and to promote sound minds and bodies in our members and our youth; to preserve the memories and records of patriotic service performed by the men and women of our faith; to honor their memory and shield from neglect the graves of our heroic dead.

tions: Dollar for Dollar

In the event that emergent action is required and the National Commander finds it in the best interest of the Jewish War Veterans of the United States of America, the National Commander may authorize and expend such funds as may be reasonably required for appropriate defense and action until the next meeting of the National Executive Committee.
