Checklist to Keep Your Echelon in Good Standing and Thriving

Keep this list with your echelon's books and financial records and check it monthly.

THE MUST DO's

Items that must be sent to National HQ annually to remain in good standing.

1. Installation Form (AKA The Warrant):

Description	List of Officers and their contact information , as well as your monthly meeting location/time and the designated address for mailing checks and rosters.
Purpose	Communication! The Membership Department uses your Warrant for all contact needs: who to call about echelon meetings, where to send checks, who is involved with a particular program, who is the best contact person when a veteran wants to learn about your echelon. Departments and Councils use the Warrant for communication and organization purposes, too.
Submitting	Elections are held between January and April. The Installation must occur within 60 days of the election. Therefore, all Installation Forms should be sent between January and June ANNUALLY.
Constitution & ByLaws Reference	Bylaws, Articles VII - IV
Staff Contact	Benjamin Kane, Membership Director bkane@jwv.org or 202-448-5411

Download the form: [https://www.jwv.org/wp-content/uploads/Post installation form.pdf](https://www.jwv.org/wp-content/uploads/Post%20installation%20form.pdf)

2. Financial Board Report (AKA FB Report):

Description	More or less a financial checklist, the FB Report outlines an echelon's income, expenses, donations, fundraising and taxes.
Purpose	The FB Report is the primary tool the Finance Board Committee uses to fulfill its purpose - to "supervise the annual accounting, fundraising, depositing and spending of funds; and alienation of other assets." In other words, to audit the financial status of the organization and ensure its compliance with IRS and Federal laws.
Submitting	The Report is sent to QM/Cmdrs by February. It must be completed and returned to National HQ.
Constitution & ByLaws Reference	ByLaws, Article II, Sections 4 - 5
Staff Contact	Benjamin Kane, Membership Director bkane@jwv.org or 202-448-5411

Download the form: <https://www.jwv.org/membership/for-members/post-management/>

3. **990-N Receipt/Copy of 990 Submission:**

Description	Proof that your echelon filed its 990, 990EZ, or 990N for the most recent tax year.
Purpose	As a 501c4 (NOT 501c3), JWV must comply with IRS tax rules to remain a tax-exempt Veteran Service Organization. EVERY echelon must file the tax form 990 annually. Simply put, if we do not file, we lose our status.
Submitting	A copy of the 990N confirmation email or copy of the 990/990EZ paper submission must accompany your completed FB Report.
Constitution & ByLaws Reference	<i>ByLaws</i> , Article II, Sections 4 – 5
Staff Contact	Benjamin Kane, Membership Director bkane@jwv.org or 202-448-5411

4. **Fidelity Bond:**

Description	The Fidelity Bond is insurance for your treasury. It is contracted by the Insurance Committee and sold to every echelon on an annual basis. It is both a JWV Constitutional requirement and IRS requirement.
Purpose	The Bond's purpose is to protect and cover the funds collected, held and disbursed by every echelon.
Submitting	A bill is generally mailed in December and payment is due by February. If payment is not received, the amount will be deducted from the echelon's Per Capita Refund Checks.
Constitution & ByLaws Reference	<i>ByLaws</i> , Article VI, Section 9
Staff Contact	Christy Turner, Assistant to National Director & National Commander, cturner@jwv.org or 202-265-6280 x417

5. **Proof of Liability Insurance:**

Description	The Insurance Committee recommends that every echelon insure itself for accidents and damages.
Purpose	Liability insurance helps your echelon stand strong through challenging situations such as accidents, injuries or damages.
Submitting	Proof of insurance should be supplied with annual FB Report.
Constitution & ByLaws Reference	<i>ByLaws</i> , Article VI, Section 9
Staff Contact	Christy Turner, Assistant to National Director & National Commander, cturner@jwv.org or 202-265-6280 x417

THE SHOULD-DO's

Items that should be sent to National HQ to keep your echelon thriving.

6. Dues Structure Update:

Description	Update the amount your echelon is refunded per member for the next member year. (e.g. a member's \$50 annual dues yields \$35 for National, \$5 for the Department, and \$10 for the Post)
Purpose	Membership dues are divided between National, Departments, Councils (if applicable), and Posts. If an echelon wishes to change its portion of the dues, it must complete the Dues Structure Update BEFORE National HQ's fiscal year begins on July 1.
Submitting	The form is sent to Cmdr/QMs between April and June, to be completed by July. All dues for the next fiscal year are set and final as of July 1.
Constitution & ByLaws Reference	ByLaws, Article II, Section 1 – 2
Staff Contact	Benjamin Kane, Membership Director bkane@jwv.org or 202-448-5411

7. Roster Updates:

Description	Send roster updates and changes to the Membership Department. Common changes include: <ul style="list-style-type: none"> ○ Address, phone number and email updates ○ Deaths ○ Transfers ○ Post contact information
Purpose	Unless a member or member's family reports changes to National HQ, National will not know of membership changes. To keep accurate records and to avoid unnecessary spending on postage, HQ relies on echelons to send member updates.
Submitting	Send updates as needed, at least twice per year.
Constitution & ByLaws Reference	Constitution, Article IV, Sec. 1
Staff Contact	Send updates via mail, email or fax, Attn: Membership Department: 1811 R St NW, Washington, DC 20009 bkane@jwv.org Fax: (202) 234-5662

Note, you should also send roster updates to your Department Quartermaster, especially if the Department sends regular mailings.

8. **Delegate Form:**

Description	Delegates represent a Post at the Annual National Convention. Each Post receives one delegate per 10 members. The Delegate Form indicates how many delegates the Post is eligible to send.
Purpose	To identify who from your Post will represent the Post at the National Convention.
Submitting	National HQ sends the Form to Post Cmdrs in May/June. The Post must return the Form at least 15 days before National Convention.
Constitution & ByLaws Reference	<i>Constitution</i> , Article V, Sec. 4
Staff Contact	Send via mail, email or fax, Attn: Membership Department to: 1811 R St NW, Washington, DC 20009 membership@jwv.org Fax: (202) 234-5662

Thank you for your interest in *The Jewish Veteran*. Our publication comes out quarterly and is read by over 10,000 readers! Please look over the following guidelines and questions to ensure that your article may be considered for publication.

Guidelines

1. We are looking for stories about activities and programs at your local post, stories that address veteran's and/or Jewish issues, a D'var, and Op-eds. Ideally, these should not be longer than 350 words in length.
Please contact us first at Editor@jwv.org if you wish to submit something longer.
2. Stories of post activities and programs must include photos in a jpg or tiff format, submitted along with the article. We prefer "action shots" as opposed to static group photos, if possible. **Photo captions are necessary.** *Do not include the caption in the photo name, but send the caption in an email or word document.* We need to know the 5 W's: Who, What, When, Where, and Why. Please include people's titles and positions in JWV.
3. Each submission must be sent by email to Editor@jwv.org. (*The Jewish Veteran* does not accept handwritten submissions).

Please send an email with a link to the article to Editor@jwv.org. If we decide to re-publish it, we will reach out to the original source to get reprint rights.
- *My article or story is worded differently than when I sent it in. What happened?*
The Jewish Veteran reserves the right to edit any article for language, grammar, and/or to meet space requirements.

Recycle Your Copy of *"The Jewish Veteran"*:

JWV NY Post 105

By now you should have finished reading the current edition of the *"The Jewish Veteran."* Please do not trash it, recycle it. Start by removing your personal mailing address from the newspaper. Then pass the newspaper along so that another Veteran can read and benefit from it. There are many excellent articles in *"The Jewish Veteran"* that will spark a Veteran's interest.

Another form of recycling *"The Jewish Veteran"* is to ask the leader of your Shul/Temple/Congregation/Chabad/Jewish Community Center (JCC) if you can post the newspaper on their bulletin board.

Ask your local city or town Veterans Agent if you can leave your recycled copy in their office. It may help attract another Veteran.

If you are a student attending a college/university or a school of higher education, ask your school Veterans Agent if you can leave a copy in their office.

There are unlimited possibilities where to recycle your copy of *"The Jewish Veteran."* Remember to tape your JWV Post business card to it, so the reader knows how to reach you.

Organizational awareness is a form of marketing JWV to the public. Imagine just one recycled edition of *"The Jewish Veteran"* may generate an awareness for our Organization. Now, imagine if every member of your Post does the same.

You can also link a Veteran to the current and past editions of a digital copy of *"The Jewish Veteran"* at <https://www.jwv.org/media/the-jewish-veteran/past-issues/>

Frequently Asked Financial Questions – ANSWERED!

For all of the number-crunchers volunteering their skills for JWV and for all of the members who want to improve their JWV administrative skills, this is a layman's guide to finances.

1. **What's all this 990 tax business about?** JWV is recognized by the federal government as a 501c4, Veteran Service Organization. To maintain that status, we must show that our income is earned, and expenses spent, on behalf of veterans. That is proven in our tax filings. From Post to Department to National HQ, every echelon must file the 990. Learn all about the filing process by downloading our how-to guide at www.jwv.org.
2. **When does my Post/Council/Department need to file the 990?** That depends on your fiscal year (e.g. January – December, or July – June). The IRS requires that you file by the 15th day of the fifth month after your fiscal year ends. Learn more at irs.gov.
3. **So, I need to file the taxes and do this Finance Board Report, too?** Yes. The Finance Board Report is our internal audit tool. JWV has a national Finance Board Committee that reviews the report submissions annually. Again, this is used to ensure our organization is living its VSO mission of helping veterans.
4. **What is the Finance Board (FB) Report?** More or less a financial checklist, the FB Report outlines an echelon's income, expenses, donations, and taxes. It is the primary tool the Finance Board uses to fulfill its purpose (to supervise the annual accounting, fundraising, depositing and spending of funds).
5. **When is the FB Report due?** May 1st. Send certified mail to National HQ. Late submissions are accepted through the end of that year's convention.
 - a. **What if I never send it?** The Finance Board Committee may choose to investigate your echelon and National can revoke your Charter.
6. **What is my echelon's fiscal year?** While National HQ's fiscal year is July 1 – June 30, echelons have varying fiscal years based upon when an application for tax-exempt status was submitted to the IRS. If you filed the 990 in previous years, then the IRS can provide record of your fiscal year.

7. **My Post wants to donate to a VA homeless program. How do donations work in JWV?** If a Post/Council/Department chooses to donate funds, the funds must be given to a JWV program, or affiliated organization, or to a cause that directly benefits veterans, which includes:

- VA Medical Centers;
- Our Museum, The National Museum of American Jewish Military History;
- JWV National Building Fund;
- JWV Foundation, Inc.;
- Any JWV higher echelon;
- All nationally recognized JWV programs;
- Any other special project approved by the NEC from time to time;
- Any other exemption, on a case by case basis, that is expressly authorized by the National Finance Board and approved by the National Commander.

(The National Bylaws, Art. II, Sec. 5)

The best approach to deciding if a donation would require matching funds is to ask "Does the cause directly benefit veterans?" If an organization assists a broad range of people and programs then it is not solely benefiting veterans and thus, matching funds are required. If the organization fulfills a "nice to have/do" wish over "**needs** to have/do" wish (e.g. it would be nice to throw a party for veterans. But veterans really need legal counsel, food, shelter, etc.), then matching funds are required. **To know for sure, write the Finance Board Committee prior to donating** (mail your letter to National HQ or email to membership@jwv.org).

Insurance Requirements for Every Echelon

All JWV Posts and Departments are required to carry two types of insurance, Fidelity Bond and Liability, in order to be in Good Standing. These two insurance types cover different areas of risk and, combined, fully protect JWV.

1. Fidelity Bond Insurance

What is it?

A fidelity bond is a form of insurance protection for your echelon's funds. It covers an echelon for losses resulting from embezzlement or fraudulent acts committed by individuals who have access to echelon funds. In other words, if the Post officers who handle the money are stealing, fidelity bond insurance helps cover financial losses.

What's the purchase process?

The JWV National Constitution requires National to purchase a blanket fidelity bond insurance policy to cover all echelons and then bill each echelon for their share. If your echelon does not send in payment for the fidelity bond insurance, it is automatically deducted from Per Capita refund check(s).

Currently, National purchases the insurance annually with coverage lasting January through December. This means your echelon must pay the fidelity bond fee every year.

What can you do to ensure we receive the best (aka cheapest) rate?

All echelons should have procedures in place to prevent embezzlement or fraud from occurring in the first place. Please see the Post Financial Checklist to learn what you can do to improve financial practices and maintain secure funds.

2. Liability Insurance

What is it?

Liability insurance is a form of injury and damage protection. It protects your echelon from liability in the event of an occurrence at a JWV function. This is a Legal Liability Insurance Policy, covering claims against your echelon for 'Bodily Injury, Property Damage, and Personal Injury' during the insurance policy period and within the coverage territory. In other words, if someone gets hurt at a JWV event and sues your echelon for damages, if your echelon is found responsible, it would be covered for the amounts listed on the liability information sheet.

Who needs liability insurance? I mean, we meet at the JCC, don't they have insurance?

All echelons need it, regardless of where they meet. If someone attends your meeting/event and is injured, no matter where it is held, as the sponsor of the event, you may be held liable, along with the meeting venue. If you are held liable and do not have insurance, JWV National's assets could be brought into risk, and that puts the whole organization at risk.

Special note on fundraising events:

Most stores and other popular fundraiser locations will only allow groups with proper proof of liability insurance to set up in front of their locations. So if, for example, during a Post poppy sale in front of the supermarket, someone gets a paper cut from a poppy tag and decides to sue the store for traumatic injuries, the store knows you have the proper policy to cover it.

Just recently, a Post in Florida was denied their usual request to hold a poppy drive in front of Publix's supermarket because the store requested proof of liability insurance and they could not provide one. Another Post in Nevada was all set to hold an annual event, and for the first time, they too were asked for proof of liability insurance. They thought they could just purchase a one-day policy, but were shocked to learn the cost of one-day coverage was over \$500!

Anything else included in this coverage?

Yes, non-owned auto insurance must be included. This basically expands the liability coverage to cover injuries/accidents sustained through automobile incidents. For example, suppose several members will be riding in a member's car on their way to a post activity. On their way, the car is involved in an accident and someone is injured. If the individual who owns the car does not have either the proper, or enough auto insurance, the injured individual may go after the post or JWV to recover damages. This is when the need for the non-owned auto insurance is vital.

What is the purchase process?

You have two options. Purchase liability insurance through National's negotiated rate with Traveler's Insurance or buy from an independent insurance broker in your area. Regardless of where you buy it, your echelon must both purchase the amount of insurance coverage required by JWV and list JWV National as the additional insured. More information about insurance amounts are listed on the post liability information sheet.

The advantage to purchasing your liability insurance through National is that the rate is generally cheaper. National gets a very good negotiated rate because it "buys in bulk." If you call insurance brokers in your area and ask them to price liability insurance, you will confirm that National offers the best rate.

If you buy through National, when is payment due?

Post Liability insurance is in effect from October 31 through November 1 of the following year. Renewal/sign-up notices are sent to all Commanders and Quartermasters the first week of October. Payments due dates are listed on the yearly renewal forms.

If you buy on your own, what does National need from us?

National needs a copy of your echelon's certificate of insurance (COI) and signed JWV waiver. This is also due when post liability premiums are due.

Council Commanders and Quartermasters Post
Commanders and Quartermasters

From: National Finance Board Committee, chaired by:
PNC Joseph Zoldan, OH
Dept. Cmdr. Erwin Burtnick, MD

Re: **2021 Finance Board Report**

Once per year the National echelon reviews the spending and fundraising of every Post, Council and Department. Why?

To ensure JWV is:

1. Fulfilling its mission to help veterans and
2. Upholding its legal obligation as defined by IRS tax codes for 501c4 War Veteran Service Organizations.

The Finance Board Committee was established by the National *ByLaws* ([Art. IV, Sec. 5](#)) to handle this undertaking. Comprised of members from different Departments across the country, the Finance Board reviews the annual reporting, investigates as necessary, and coordinates with the IRS to comply with tax filing.

The annual Finance Board (FB) Report is the Committee's tool for assessing each echelon's finances.

To complete the FB Report, gather your echelon's:

- Financial records AKA The Books,
- Copy of Bank Statement(s) **from the last month of your fiscal year**, and
- Receipt of the 990 annual tax filing.

Submission guidelines:

- **Every echelon** must submit a report. To be an echelon of JWV, you must have a bank account. And, that bank account must be audited regularly, hence the annual FB Report. NO EXCEPTIONS. **Our tax-exempt status depends on it.**
- Submit the completed report **no later than June 1, 2021**
- Submit via:
 - Email: bkane@jwv.org or
 - Mail: JWV of the USA
Attn: Finance Board
1811 R St NW
Washington, DC 20009

A Special Note Regarding the Annual Tax Filing

National HQ is required by law to annually notify the IRS of the names and addresses of each of our units. The IRS then expects to receive an annual tax filing from each unit.

All echelons, by law, are required to file with the Federal Government Form 990, 990-EZ, or 990-N, the annual tax form for small tax-exempt organizations. To retain our status as a 501c4, we must file.

An echelon that makes \$50,000 or less in gross income is eligible to file the electronic form 990-N online. There is no written version of this form. Echelons with gross receipts of \$50,000 or more are required to file Form 990 or 990-EZ.

Receipt of the 990 tax filing must be included with your FB Report submission.

If you have questions/concerns, please contact the Finance Board Co-Chairs at bkane@jwv.org.

The Matching Funds Rule (*National ByLaws*, Art. II, Sec. 5.) states that if an echelon chooses to donate funds, the funds must be given to an approved cause, which are:

- 1) JWV program,
- 2) Another JWV echelon,
- 3) Affiliated organization (such as Ladies Auxiliary, The Museum or The Foundation),

Steps for using the Form 990-N Electronic Filing System (e-Postcard)

REMINDER

An organization cannot file Form 990-N until after the end of its [tax year](#). For example:

- **Calendar Year Filers**

If your organization uses a calendar year (Jan. through Dec.) as its tax year, it must wait until the following January 1 (after the tax year is complete) to file.

- **Fiscal Year Filers**

If your organization uses a fiscal year (for example, Oct. 1 through Sept. 30) as its tax year, it must wait until the following October 1 (after the tax year is complete) to file.

The IRS determines the filing year using the beginning date of the organization's fiscal period.

NOTE: BEFORE FILING

If technical issues prevent you from registering or filing with the Form 990-N electronic filing system, try the suggestions below. If the problem still exists after trying all the suggestions below, contact IRS Customer Account Services at 877-829-5500 (a toll-free number).

Telephone assistance is also available for individuals with TTY equipment at 800-829-4059.

Take the following steps to prevent problems during the registration and filing processes:

- **Close multiple browsers when registering.**

Errors may occur if you have additional internet browsers open during the registration process. Please close other internet browser windows.

- **Do not use a smart phone to register or file your Form 990-N.**

- **Use correct text characters when registering and filing.**

Ensure that you use only letters, numbers or a hyphen when entering text fields and limit your entries to 35 characters/spaces. These character limits do not apply to password fields. When choosing a password, use only letters, numbers and special characters except the caret (^).

- **Check your spam or junk email folders.**

When registering or requesting a user-identification reminder, check your spam or junk email folders for a response. The email may have been filtered out by your email program.

- **If the suggestions above don't resolve the issue, sign out of the filing system (if logged in), close all programs and shut down your computer. Wait a minute, restart your computer and try again.**

This step is required before calling the Customer Account Services line (877-829-5500) for technical help.

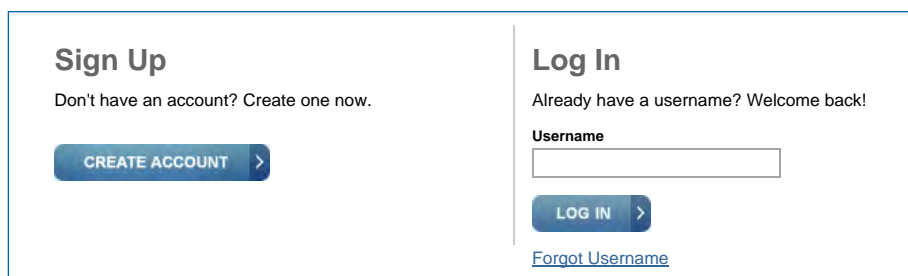

HOW TO FILE

Open the electronic filing page at <https://www.irs.gov/charities-non-profits/annual-electronic-filing-requirement-for-small-exempt-organizations-form-990-n-e-postcard>.

After reviewing the information provided on the Form 990-N webpage, click the “Electronic Filing System” link under the **READY TO FILE?** header.

First Time Users: Select **Create Account**.

Returning Users: Enter Username and select **LOG IN**. On the next page, enter your Password and select **Submit**. Skip to **STEP 5** of this user guide. Understanding the JWV Dues Structure

What is the Dues Structure?

The Dues Structure is the formula for calculating annual membership dues. That formula is:

National's Portion	
+ Department's Portion (if applicable)	
+ Council's Portion (if applicable)	
+ Post's Portion	
<hr/>	
Total amount an individual member pays	

Example: Post 2001, Regular Member invests in ONE year of membership:

\$35.00	= National
+ \$ 7.00	= Department of Space
+ \$ 3.00	= Mars Council
+ \$10.00	= Post 2001
<hr/>	
\$55.00	for Member Year 2017 in Post 2001

Members have the option of investing in one, two or three years of membership in a single transaction, therefore the **Dues Structure must be determined for each type of investment** (one year, two years or three years).

How is the Dues Structure determined?

[Article II of The National ByLaws](#) details how dues are determined. In summary, for one year of membership:

- The portion given to National HQ is approved by the National Executive Committee (NEC). The most recent amount approved by NEC is \$35/member;
- Departments may receive up to \$7.25/member and Councils up to \$3.25/member;
- Posts have no limits on their portion.

Who decides the Dues Structure?

The membership of JWV decides the structure through amending the *National Constitution*, as well as voting at each echelon level. **No echelon can determine another echelon's portion – only its own.** For example, the Department of Southwest can set its portion at \$5.00, but it cannot tell Post 210 to set its portion at \$4.00 – Post 210 must decide for itself.

Why alter the Dues Structure?

Membership dues fund the cost of operations. As an echelon's operation costs change, the dues amounts may need to change. Other considerations include affordability for members, grants/donations given to an echelon, programming needs, and cost of living in the local area.

When can the Dues Structure be altered?

The Membership Department sends a letter to each echelon in May, requesting all changes for the next member year (see page 2). The changes must be submitted by June. The Dues Structure is then set and final for the next member year. **Note that the deadline for submitting 2017 Dues Structures is close of business Thursday, June 16, 2016. This is firm, no exceptions.**

Patron Donors

We appreciate your Post's efforts to increase visibility in your community. You are welcome to enroll any individual who upholds the values of JWV as a Patron. A Patron is not a member, so s/he may not hold elected office or act as a delegate of any echelon. Ultimately, they are a supporter of the organization and are welcome to take part in our events, volunteer with us, and serve as an advocate on our behalf.

Some Posts allow Patrons to hold non-voting, appointed positions. So, they cannot, for example, be elected Commander, but they could be appointed Scholarship Fund Chairman. It's up to the Post to decide.

The contribution for a Patron shall be the same amount as the dues for a member. Upon contributing, the Patron will be issued a Patron ID card from National HQ (like your membership card) and mailings from JWV. Just like Regular Membership, Patrons can be an annual dues paying Patron or have the option of becoming a Life Patron.

A Post can also award Honorary Patron status to important community figures, at least once per year, to keep JWV in the news. Consider local religious leaders, government officials, police officers, school teachers, news anchors, or other veteran organization leaders. Make a show of it – invite folks to the ceremony. This is a great way to get some publicity.

As for recruitment, think of events or places where people can interact with the Post and get interested in joining. Potential Patrons will want to see what the Post does and how JWV is a positive force in the community. The Post might consider joining a local fundraising effort – for example, the hospital hosts a walk-a-thon to raise money for cancer research. You could research statistics about causes of cancer for in-service members and veterans. Link the local cause to veterans' issues. Then when you interact with other community members, you can begin asking them to join your Post. Basically, it's the face-to-face interactions that will attract Patrons.

 - Try to reach out to Base leaders.
- Tell them who we are and what JWV can do for them
 - Talk about National's programs
 - Share JWV's proud history
 - Utilize the visual timeline
 - If your Post has a special program for those currently serving, share those programs with Base leaders and Chaplains.
 - Run a collection for various supplies needed
 - Share with them what you can donate to the Base. (*For any donations, see if they have to be new/unopened*)
 - Toiletries
 - Crutch Pads
 - Baby supplies/clothing
 - Hats
 - Onesies
 - Socks
 - Mittens
 - Blankets
 - DVDs
 - Video Games & Video Game Systems (Xbox, PlayStation, Nintendo)
 - Home furnishings/Exercise equipment
- When attending services or visiting a base, bring the following:
 - Accessing the base

With 125 years of collaboration within both the Jewish and veterans communities, JWV serves the needs of veterans, active duty, and their families, as well as promotes patriotism and supports education across the nation. A few of our proud moments are detailed below.

- 1896 • Seeking **recognition for service** in the US Civil War, 63 Jewish Civil War veterans gathered and formed the Hebrew Union Veterans (now JWV)
- 1912 • Secured passage of **legislation removing restrictions** against Jews serving in the New York State National Guard. (Prior to the legislation, Jews were denied opportunity to become commissioned officers in the National Guard.)
- 1917 • Joined with several civic and religious Jewish agencies in the **formation of the Jewish Welfare Board**
- 1927 • Successfully lobbied for legislation requiring the American Battlefield Monument Commission to place **Star of David Markers on the graves** of Jewish soldiers buried in war cemeteries in France. A decade later, appointed to the commission
- 1941 • Meeting ten days after Pearl Harbor, JWV leadership crafted the civilian program to **support the war effort**, "Emergency Program for Victory." Results included the purchase of seven fighter planes and over \$250 million in war bonds sold
- 1948 • Proudly accepted the transfer of JWB's responsibility to **process claims for veterans** and assist them in securing benefits. The Service Officer program in LA notably expanded services to disabled veterans that the VA would go on to replicate across the country
- 1955 • Signed an accord with Association of Jewish Chaplains that provided for **consultation and cooperation** by both organizations on matters relating to religious activities in the military and veteran affairs
- 1977 • Contributed \$275,000 to **build a Jewish chapel** at West Point
- 1991 • At the suggestion of the Commission on Jewish Chaplaincy, JWV rushed a special **printing of pocket-sized Jewish bibles**, which was airlifted to Jewish personnel in the Gulf War
- 2006 • Established **The Fallen Heroes Memorial**, an ongoing record of all Jewish American servicemembers lost since 9/11. Hundreds of synagogues read the list annually on Memorial Day. In 2008, Historic Sixth and I Congregation in Washington, DC began hosting an annual Memorial Day Shabbat during which the fallen are honored
- 2016 • Filling the gaps between services and programs and the Jewish active duty and transitioning vets they target, the Jewish American Warrior Committee founded to **tighten the network**

Merging and Dissolving Posts

Thank you for all of your efforts to keep the Post thriving. We know it can be a challenge to maintain membership and understand that sometimes merging or dissolving a Post is the best solution. Please read through the enclosed material carefully. It will guide you through the process.

First: Advising

Speak with your Department's leadership. The Department will have a good understanding of which Posts could merge and how funds should be transferred. Call or email National Headquarters for Department contact information. (membership@jwv.org, 202-265-6280)

Second: Understanding the Rules

Mergers

- 1. All Posts involved in the merger must hold a vote to complete a merger. The vote is taken at a special meeting, which must be announced at least 30 days in advance. Often times, the individual Posts hold individual special meetings, but conducting a joint meeting is acceptable, as well.**
- 2. The Posts must decide the name of the merged Post. You could choose to merge the names, use of the Post's names, or completely rename. A Post may be named after a deceased person, geographic location or simply a number.**
- 3. The Posts should negotiate who will remain an officer and/or if a special election should be held after the merger.**
- 4. Once voted upon and accepted by the Posts, the merger must then be approved by the Department, and finally by the National Executive Committee (NEC). NEC meets biannually (February and August).**
- 5. Post assets must be transferred to the new Post upon completion of merger. The Post may choose to use funds prior to the merger (e.g. install a memorial plaque, honoring the Post, at a local landmark), but all remaining funds are forfeited to the new Post.**
- 6. The closing Post should file a 990-N and Finance Board Report for its last fiscal year.**
- 7. Throughout the process, the Posts must work with the Department leadership to come to an amicable solution.**

[ByLaws, Article IX, Section 3](#). When two or more Posts desire to consolidate, they shall hold special meetings called for that purpose, of which all members in good standing shall be given notice in writing at least 30 days prior to the special meeting. If two-thirds (2/3) of the members present and voting at such meetings shall vote in the affirmative, the Commanders of the Posts shall certify that fact to the Department Commander for his or her approval, and then, to the National Commander for the approval of the National

*Jewish War Veterans of the United States of America
1811 R Street NW, Washington, DC 20009
www.jwv.org*

Executive Committee. Upon the approval by the Department Commander and the National Executive Committee, the consolidation shall become effective. A new charter shall be issued to the consolidated Post. All Officers of the Posts so consolidated shall be entitled to the rank they formerly held as past Officers.

[ByLaws, Article II, Sections 4 – 5.](#) Provide details about filing the 990 tax form and Finance Board Report.

Dissolutions

- 1. A Post with fewer than 10 members may be dissolved by National HQ, but generally, the Post or Department makes closure decisions.**
- 2. The Post must work with the Department leadership to make the best decision. If dissolution is the choice, the Post should coordinate the closing of the Post with Department leadership.**
- 3. Post dissolutions must be approved first by the Department, and second by the National Executive Committee (NEC). NEC meets biannually (February and August).**
- 4. A letter should be mailed to all remaining members, informing them of the dissolution.**
- 5. A dissolving Post must forfeit its funds/assets to the JWV Building Fund. The Post may choose to use the funds before dissolution, but all remaining funds are forfeited.**
- 6. A Post may choose to donate funds to another organization. JWV's Matching Funds rules, however, still apply. Any donation made to a cause that is not a direct service to veterans, requires a matching donation made to JWV. (e.g. donating \$1000 to an Honor Flight requires an equal donation of \$1000 to JWV National Building Fund)**
- 7. The closing Post should file a 990-N and Finance Board Report for its last fiscal year.**

[ByLaws, Article IX, Section 14.](#) In the event of surrender of a charter by a Post, or other Echelon of this Organization, or of the charter being declared no longer in existence, under the authority of the National Executive Committee, all property of such Echelon, or any building or other corporation thereof, whether it be of real, personal or mixed property, including all funds and Special or Designated Fund Accounts, and whether on deposit in banks or in the possession of any individual, shall be allocated and all funds are assigned to the Jewish War Veterans Building Fund. Failure on the part of any individual to honor a request for the surrender of such property shall be deemed to be an offense recognizable under Article X of these Bylaws. (Amended 8/14)

*Jewish War Veterans of the United States of America
1811 R Street NW, Washington, DC 20009
www.jwv.org*

[ByLaws, Article II, Sections 4 – 5](#). Provide details about filing the 990 tax form and Finance Board Report, as well as explanation of the Matching Funds Policy.

Third: Creating and Implementing a Plan

Speak with the Department Commander to get his/her view on closing/merging the Post. Call the Membership Department at National Headquarters for additional guidance. Establish a Post committee that will ensure proper adherence to the merger/dissolution procedures. You may also find it helpful to create an Historical committee to decide **how the Post will be remembered** and its artifacts preserved.

Build a finance plan into your merger/dissolution plan. Some Posts choose to spend some of their treasury before dissolving or merging to preserve the memory of the Post. Some examples:

- donate half of the funds to the Department and hold a ceremony
- donate to any veterans cause
- donate to a non-veterans cause, but you must donate an equal amount to JWV National per *ByLaws*
- grant a scholarship to a local ROTC student
- invest in a [Paver from our Museum](#): These are inscribed bricks that line the front steps of the National Museum of American Jewish Military History. We offer different sized bricks to allow more or less inscription
- invest in an Honorial Wall Inscription: The main floor of the Museum includes a glass wall featuring donors, Posts and PNC's. These items and more are for purchase through the Museum Director, Mike Rugel, mrugel@nmajmh.org, 202-265-6280 x104

Keep your membership updated as you implement your plan. Tidy up the financial records and historical records. And, if you need help along the way, contact the Membership Department at National Headquarters. It is sad to see a Post close, but the organization will continue to thrive if it is built of strong, organized units. Thank you for all your efforts to maintain JWV and preserve the legacy of Jewish American military service.
