

JWV Resource and Best Practices Form

1. Indicate which category your submission should be listed under.
- 2a. Provide your example materials as digital files that can be sent by email to National. Scan brochures, letters, and other items if you don't have their originating digital file.
- 2b. If you did not create the material being submitted, please provide the name of the person who did and their contact information in case someone has a question. Make sure you have their permission to provide their material to the Resource Center.
3. After you have filled out this form, save it under the name **Resource-your last name**, and send it along with your information and material(s) to Bryn Garick at bgarick@jwv.org.
