

2024 Finance Board Report

Memorandum

February 2024

To: Department/Council/Post Commanders and Quartermasters

From: National Finance Board Committee, chaired by:
PNC Joseph Zoldan, OH
PNC Edwin Goldwasser, NY Vice-Chairman

Re: **2024 Finance Board Report**

Once per year the National echelon reviews the spending and fundraising of every Post, Council and Department. The purpose is to ensure JWV is

1. Fulfilling its mission to help veterans and
2. Upholding its legal obligation as defined by IRS tax codes for 501c4 War Veteran Service Organizations.

The Finance Board Committee was established by the National *ByLaws* ([Art. IV, Sec. 6](#)) to handle this undertaking. Comprised of members from different Departments across the country, the Finance Board reviews the annual reporting, investigates as necessary, and coordinates with the IRS to comply with tax filing.

The annual Finance Board (FB) Report is the Committee's tool for assessing each echelon's finances.

To complete the FB Report, gather your echelon's:

- Financial records AKA The Books,
- Copy of Bank Statement(s) **from the last month of your fiscal year**, and
- Receipt of the 990 annual tax filing.

Submission guidelines:

- **Every echelon** must submit a report. To be an echelon of JWV, you must have a bank account. And, that bank account must be audited regularly, hence the annual FB Report. NO EXCEPTIONS. **Our tax-exempt status depends on it.**
- Submit the completed report **no later than March 15, 2024**
- Submit via:
 - **Email:** membership@jwv.org, **Subject: 2024 Finance Board Report - Post #**
 - **Mail:** JWV of the USA
Attn: Finance Board
1811 R St NW
Washington, DC 20009

A Special Note Regarding the Annual Tax Filing

National HQ is required by law to annually notify the IRS of the names and addresses of each of our units. The IRS then expects to receive an annual tax filing from each unit.

All echelons, by law, are required to file with the Federal Government Form 990, 990-EZ, or 990-N, the annual tax form for small tax-exempt organizations. To retain our status as a 501c4, we must file.

An echelon that makes \$50,000 or less in gross income is eligible to file the electronic Form 990-N online. There is no written version of this form. Echelons with gross receipts of \$50,000 or more are required to file Form 990 or 990-EZ.

Receipt of the 990 tax filing must be included with your FB Report submission.

Thank you for maintaining the fiscal health of JWV. If you have questions/concerns, please contact the Finance Board at financeboard@jwv.org.

The Matching Funds Rule (*National ByLaws*, Art. II, Sec. 5.) states that if an echelon chooses to donate funds, the funds must be given to an approved cause, which are:

- 1) JWV program,
- 2) Another JWV echelon,
- 3) Affiliated organization (such as Ladies Auxiliary, The Museum or The Foundation),
- 4) VA facilities, and
- 5) Cause/Organization that directly benefits veterans and has been approved by the Finance Board Committee (such as USO, Fisher House, or JWB Jewish Chaplains Council).

Matching Funds: If donations are made to other organizations, then a contribution of equal amount MUST be given to JWV's National Building Fund.

- Donations of \$1,000/year or less, and up to a maximum of \$10,000 lifetime to any organization are exempt from matching funds. Any dollar amounts over (\$1,001+/year or \$10,001+ lifetime), the appropriate echelon is responsible for matching funds.

List the donations made and organizations donated to, under the appropriate category. Exempt donations are those that do not require matching donations. Non-exempt donations are those that do require matching donations. Attach any additional lists.
