### Hillel

Why Hillel? When Jewish Veterans leave the military and want to cash-in on the G.I. Bill, many normally attend an Institution of Higher Education. Some may join their local Hillel.

As the leading authority on Jewish campus life, Hillel reaches, engages, and equips tomorrow’s leaders today. -Avi Chai Foundation Study, 2010” (1)*

### Military Base/Fort/Camp/Port

Why a Military Base? For the continued growth of our organization, we need to focus on its future. Our future will be determined by how effective we are at recruiting new members. One of the most crucial places to find new members are active military base. There are many affiliated groups on any Military base to choose from. Active Component, Military Families/Dependents, National Guard, U.S. Reserve, Military Retirees, Federal Employees, State Employees, Government Contractors, Civilian Contract Employees, etc..... **Point of Contact: Jewish Spiritual Leader/Lay Leader.**

### Not located Near a Military Base.....

Consider a Reserve Component Center: Joint Forces Headquarters, National Guard Armories, U. S. Reserve Training Centers etc..... A Reserve Component can be found in most congressional districts in the nation. Reserve Component Centers are also, a local community-based partner just like most of our JWV Posts.

### United Synagogue of Conservative Judaism (USCJ)

Why United Synagogue of Conservative Judaism (USCJ)? The USCJ network of nearly 600 congregations extends across North America and includes synagogues in the United States, Canada, and Mexico. Congregations are divided into seven geographic districts, each led by a dedicated Kehilla Relationship Manager (KRM) who provides grassroots support and acts as your liaison with USCJ.

Per USCJ's Strategic Plan, "it focuses on the raison d'être of a congregation or synagogue, i.e., that it is a sacred community. Second, it signals a welcome to those who resonate with the ideas of **Conservative Judaism** as expressed in the vision statement, but who do not necessarily belong to official Conservative congregations or feel comfortable with the Conservative movement label."(1)

### Yellow Ribbon Reintegration Program (YRRP)

Why the Yellow Ribbon Reintegration Program (YRRP)? The National Defense Authorization Act of 2008 established the Yellow Ribbon Reintegration Program (YRRP). It is a Department of Defense-wide effort to promote the well-being of National Guard and Reserve members, their families and communities, by connecting them with resources before, during, and after deployments. YRRP addresses the unique challenges facing the Guard and Reserve community, including geographic dispersion away from military support networks and fewer deployment resources than the Active Component.

-  While the Service Member is deployed, invite their family over for Shabbat.
-  Invite the family to your place of worship for Jewish Holidays.
-  Send the Service Member a care package during their deployment.
-  Welcome the Service Member Home with a *“Welcome Home Shabbat Meal.”*

### Zeta Beta Tau (ZBT)

Why Zeta Beta Tau (ZBT)? Founded in 1898, ZBT is the world's first and largest Jewish Fraternity. Since our historic founding, more than 140,000 men have been initiated into our great Brotherhood. Again, making history, in 1989 ZBT became the first fraternity to abolish pledging and all two-tier membership statuses. Our Brotherhood focuses on equal rights, privileges and responsibilities for all brothers. We firmly stand against all forms of hate in our communities, and we are working to create a safer and more inclusive college and community environment for all students.

Mindful of its founding in 1898 as the world's first Jewish Fraternity, ZBT will preserve and cultivate its relationships within the Jewish community. Since 1954, ZBT has been committed to its policy of non-sectarian brotherhood, and values the diversity of its brothers. ZBT will recruit and initiate men of good character, regardless of religion, race or creed who are accepting of these principles.
